APPLICANT'S MOTION TO EXTEND THE TESTIMONY PERIOD

Applicant ETW Corporation hereby moves to extend the testimony period for Applicant and the rebuttal testimony period of Opposer RaceTrac Petroleum, Inc. Pursuant to prior requests to extend the schedule, Applicant's testimony period is scheduled to close on March 10, 2003. Applicant requests that this period be extended by one month until April 10, 2003. Applicant submits that good cause exists for this extension because of continuing personal commitments, ongoing and unanticipated scheduling conflicts that have arisen in other matters, and delays and problems arising from the extreme weather conditions in the East Coast during February that have prevented counsel for Applicant from completing the necessary testimony during the assigned period. Counsel for Applicant apologizes for the delay, but submits that granting this extension would facilitate the process and allow the testimony period to be completed.
